Re: Ameridose Recalled Product Inventory

Gentlemen:

Pursuant to the e mail exchanges I had with Chris and his team on April 21<sup>st</sup> and 22<sup>nd</sup> and Damian's letter of the 23<sup>rd</sup>, enclosed is a cd with an Excel spreadsheet. The data, all 37,000 lines of it, pertains to the recalled inventory on hand at AMD.

This is being produced informally to you as part of a meet and confer regarding our client's motion to permit destruction of the inventory. It has not been produced to anyone else, and will only be produced by me to the PSC if they ask for it. You are not authorized to reproduce it or give it to anyone outside your office, and it is subject to the protective order.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Moriarty", with a large, sweeping horizontal stroke above it.
